Re: End of Life Notification for FNP850 and FND850 products

Dear Valued Customer,

As part of our product lifecycle management process, Bel Fuse provides notification when a product has reached End-Of-Life (EOL) status. EOL decisions are based on our review of material availability, historical unit shipment volume and product revenue performance. Products designated for End-Of-Life will be available for a last time buy purchase prior to being made obsolete, depending on component availability.

Last Time Buy (LTB) orders accepted until: **31st Dec. 2023**

Last Time Shipments until: **30th Jun 2024**

After the indicated dates, the affected products will be considered inactive. Acceptance of last time buy orders is subject to product and material availability and at the discretion of Bel Fuse. Every effort will be made to fulfill these orders. Purchase orders for these products will be considered Non-Cancellable, Non-Returnable (NCNR). If you have any questions concerning this End-of-Life notification, please contact your Bel Fuse Customer Service Representative.

The part number replacement impacted by this notification is shown below:

Affected Product	Possible Replacement
FND850-S101G	PFE1100-12-054ND
FND850-12RG	
FND850-12DRS101G	
FND850-12DRG	

Affected Product	Possible Replacement
FNP850-S151G	PFE850-12-054NA
FNP850-12RG	
FNP850-12G	
FNP850-12ARG	

We would also like to take this opportunity to thank you for your business in the past and to assure you that everything we do is aimed at becoming your power supply partner of choice in the future.

Yours faithfully

Ian Warner
