

**The
 Total Solution
 Advantage**

Bel offers a broad range of products to support your engineering requirements when designing for broadband, network and telecom platforms. Our complete portfolio of discrete and modular components allow for greater design flexibility that will help yield high quality, cost-effective solutions.

See diagram to learn how Bel can help.

Total Solution Advantage = TSA

- **What is it?**
A message to all Bel sales channels: We're not just a fuse company
- **Why?**
Bel has a strategic position in relation to most ICs on the board creating a synergistic sales solution for our reps and distributors
- **Our engineers and product managers partner with major IC houses:**
Broadcom, Conexant, Ikanos, Infineon, Intel, Marvel, National Semiconductor, PMC Sierra, etc.
- **If you are designing in an IC, chances are we have complementary products:**
Power products, connectors, magnetics, modules or circuit protection devices

What To Look For

Applications	Products	
xDSL T1/E1 Broadband	<ul style="list-style-type: none"> • Splitter Cards • Modules • RJ45 & RJ11 Connectors • Discrete LAN & Telecom Magnetics 	<ul style="list-style-type: none"> • Cable Assemblies • DC/DC Converters • Circuit Protection • PTC Resettable Devices
Cable Modems Set Top Boxes	<ul style="list-style-type: none"> • Diplexers • RJ45 & RJ11 Connectors • Discrete Magnetics and/or MagJack® 	<ul style="list-style-type: none"> • DC/DC Converters • Circuit Protection • PTC Resettable Devices
Networking (Hubs, Switched, Routers, NICs)	<ul style="list-style-type: none"> • RJ45 Connectors • Discrete LAN Magnetics and/or MagJack® • DC/DC Converters • SFP Modules 	<ul style="list-style-type: none"> • Home Plug/Powerline Modules • Cable Assemblies • Circuit Protection • PTC Resettable Devices
Printer Applications	<ul style="list-style-type: none"> • Integrated and Passive Connectors • Discrete LAN Magnetics • DC/DC Converters 	<ul style="list-style-type: none"> • Cable Assemblies • Circuit Protection • PTC Resettable Devices

Bel Fuse Inc.
206 Van Vorst Street
Jersey City, NJ 07302
