

Date: 9th November 2022

Description: EOL of Din Rail parts:
LDN85-24P, LDT2400-170, LDT960-72, LDW120-48P, & LDX-C120-24

Dear Valued Customer,

As part of our product lifecycle management process, Bel Fuse provides notification when a product has reached End-Of-Life (EOL) status. EOL decisions are based on our review of material availability, historical unit shipment volume and product revenue performance. Products designated for End-Of-Life will be available for a last time buy purchase prior to being made inactive, depending on component availability.

Last Time Buy (LTB) orders accepted until 30th April 2023
Last Time Ship (LTS) until 31st October 2023 (*subject to availability*)

After the indicated dates, the affected products will be considered inactive. Acceptance of last time buy orders is subject to product and material availability and at the discretion of Bel Fuse. Every effort will be made to fulfill these orders. Purchase orders for these products will be considered Non-Cancellable, Non-Returnable (NCNR). If you have any questions concerning this End-of-Life notification, please contact your Bel Fuse Customer Support Representative.

The parts impacted by this notification as well as suggested alternatives are listed in the table below.

Part Number	Closest Alternative
LDN85-24P	LDN120 series
LDT2400-170	LDT2400 series
LDT960-72	LDT960 series
LDW120-48P	LDW120 series
LDX-C120-24	No alternative

We would also like to take this opportunity to thank you for your business in the past and to assure you that everything we do is aimed at becoming your power supply partner of choice in the future.

Yours faithfully

Audrey Boulot
