

16th September 2025**EOL for FNP600, FNP100 and FNR Shelves**

Dear End-Customer or Sales Channel Partner,

As part of our product lifecycle management process, Bel Fuse provides notification when a product has reached End-Of-Life (EOL) status. EOL decisions are based on our review of material availability, historical unit shipment volume and product revenue performance. Products designated for End-Of-Life will be available for a last time buy purchase prior to being made obsolete, if material permits. The products identified for inclusion into our Last Time Buy Program are listed within this document.

Last Time Buy (LTB) orders accepted until: **Expired.**Last Time Shipments through: **Expired.**

After the indicated dates, the affected products will be considered obsolete. Acceptance of last time buy orders is subject to product and material availability and at the discretion of Bel Fuse. Every effort will be made to fulfill these orders. Purchase orders for these products will be considered Non-Cancellable, Non-Returnable (NCNR). If you have any questions concerning this End-of-Life notification, please contact your Bel Fuse Customer Support Representative.
