

May 13th, 2022**Transition to EOS branded product****EOS branded product to succeed **Bel Power's** AC/DC, ITE and Medical Product offering from India**

Dear End-Customer or Sales Channel Partner,

Bel Fuse Inc.'s acquisition of EOS Power resulted in duplication of certain products which has led Bel to a decision to transition to the EOS branded version of these products.

Each replacement EOS branded part is Form, Fit and Function, a drop-in replacement to the equivalent Bel Power part. Additionally, both brands share the very same UL Safety certificate making the transfer to the EOS branded part mostly a Paper qualification effort.

Please understand this notice is not intended to serve as an End-of-Life / Last-time-buy notification for the Bel Power products manufactured in India so much as it is formal request for you to transition to the EOS branded equivalent part without delays. Expect formal discontinuance notification(s) to be sent next year, (2023).
