

Three Phase Power Transformer Custom Design Form

Company Name

Address

Email Address

Application

EAU

Your Part #

Name of Project

Name/Position

City

Country

Zip/Postal Code

Phone Number

Target Price

Qty Desired

Production Start

Mechanical Requirements

Transformer Type

Three Phase

Delta Type

WYE Type

Terminals

Type

Leads (Length/Colors)

Dimensions

Length

Width

Height

Special Features

Mounting Features

Electrical Requirements

Insulation

Class B

Class F

Class H

Other

Primary Input Voltage

Operating Frequency

(Please attach schematic drawing for each secondary if possible)

Secondaries

Voltage

Current (AC)

Voltage

Current (AC)

Voltage

Current (AC)

Voltage

Current (AC)

Impedance

VA Total

Circuit Protection
Required

Fuse

TCO

Current Fuse

Thermal Device

Other

Dielectric Withstanding
Voltage/Isolation Voltage

Duty Cycle

Ambient Temperature

Temperature Rise

Protection

Thermal (where?)

Current (where?)

None

Agency Listing Required?

Yes

No

Standard Requirements?

UL Std#

IEC Std#

CSA Std#

VDE Std#

Notes

*(If necessary please add/
attach any schematics)*
