Dear Valued Customer,

As part of our product lifecycle management process, EOS Power provides notification when a product has reached End-Of-Life (EOL) status. EOL decisions are based on our review of material availability, historical unit shipment volume and product revenue performance. Products designated for End-Of-Life will be available for a last time buy purchase prior to being made obsolete, depending on component availability.

Last Time Buy (LTB) orders accepted until 5-November -2024.

Last Time Shipments until: 5-February-2025 (subject to availability).

After the indicated dates, the affected products will be considered obsolete. Acceptance of last time buy orders is subject to product and material availability and at the discretion of EOS Power. Every effort will be made to fulfill these orders. Purchase orders for these products will be considered Non-Cancellable, Non-Returnable (NCNR). If you have any questions concerning this End-of-Life notification, please contact your EOS/Bel Fuse Customer Support Representative.
